

# Music at the Marv: Mark Croft Band

**Start Date: 8/3/2021 6:30 PM**

**End Date: 8/3/2021 8:00 PM**

This week we're proud to feature the country sounds of the Mark Croft Band .

For this year's concert series, we have doubled the number of physically-distanced pods available to 150. Spectators will be able to pick their own pod when they arrive at the park; pods will be available on a first-come, first-served basis beginning at 5 PM on concert days. Pods will be limited to six people.

The park will still be roped off as it was in 2020, and there will be two entry points: the corner of Main and Court Street, and the corner of Main and St. Lawrence Avenue.

Face coverings will not be required while in a pod, but we ask that people wear a mask when moving about the park. We think this approach will keep everyone safe while returning the event a little closer to normal.

South Padre Street Food and Sandwich Bar will be serving up tasty treats by the park. Beer will be available from Downtown Janesville, Inc.
